

**BMSSWOCOM2020 and IFSO Joint Consensus Meeting on Standardized Management of Complications after Bariatric Metabolic Procedures
Amsterdam, The Netherlands, April 16 - 18, 2020**

PRELIMINARY PROGRAM

Thursday April 16, 2020				
Introduction to Consensus Meeting and dinner				
	20:30	Welcome remarks and introductions	Mohit Bhandari/MALFobi	Chair: MAL Fobi
	20:40	Standardized technique of Gastric Bypass	Alan Wittgrove	Moderators
Thursday introductory session to BMSSWOCOM2020	20:46	Standardized technique of Sleeve Gastrectomy	Samer Matter	Michael Vix
Dinner served 19:30-22:00	20:52	Standardized technique of OAGB/MGB with fixed BP Limb	Khamal Mahawar	Salman Al Sabah
Video presentations of standardized techniques	21:00	Standardized technique of OAGB/MGB with 40% Common Limb	Miguel Carbajo	Enrique Luque De Leon
of the various bariatric metabolic procedures	21:06	Standardized technique of banded procedures	Mohit Bhandari	David Cummings
20:30-22:30	21:12	standardized technique of SG-RY and SG-Loop GBP	CK Huang	
	21:18	Standardized technique of BP-DS	Michel Gagner	
	21:24	Standardized technique of SADI	Antonio Torres	
	21:30	Standardized technique of SASI	Terek Madhi	
	21:36	Standardized technique of SG-DII	Aureo De Paula	
	21:42	Standardized technique of SG Bi-Partition	Sergio Santoro dos Santos	
	21:48	Standardized technique of LAGB	Paul O'Brien	
	21:54	Standardized technique of Gastric Plication	Karin Dolezalova	
	22:00	Standardized technique of ESG	Christopher Thompson	
	21:06	Standardized Technique of the Gastric Clip	Natan Zundel	
	22.12	The delphi consensus method	Kevin White	
Adjournment 22:50				

Friday April 17, 2020				
Breakfast 06:30-07:45am				
Lecture topics: Standardized management of BMS Complications				
	07:45	Welcoming remarks and meeting Agenda	Mohit Bhandari/MAL Fobi	
	07:50	Explanation of the modified delphi consensus building method	Kevin White	
Session I	08:00	Absolute and relative contra -indications to BMS	Ravi Rao	Chair: Lilian Kow
Preemptive management of BMS Complications	08:10	Optomizing patients for Bariatric Surgery	Scott Shikora	Moderators
	08:20	Impact of Training, MDT, Equipment on complications pevention	Jerome Dargent	Andre Teixeira
	08:30	Impact of COE, Registries, academic vs pvt, practice,small vs big Practice	Wendy Brown	Ali Khammas
	08:40	Balancing Quantity and Quality in Prevention of Complications	Mohit Bhandari	Alan Wittgrove
	08:50	Surgical re- intervention: Indications and contraindications- surgeons responsibility	Kelvin Higa	
	09:00	Pre-emptive banding of SG, GBP and OAGB with Non adjustable ring prevent non responders	Luc Lemmens	
	09:10	What to do when a patient shows up for BMS and is found to have T2D	Sachin Chittawar	
	09:20	Choosing the right procedure for a patient having BMS and T2D	Francesco Rubino	
	09:30	Management of intraoperative complications in Bariatric operations	Henry Buchwald	
	09:40	Panel Dicussions		
	09:50	Voting		
	10:00-10:20	Coffee break		
Session II	10:20	Standardized Management of inta-operative complications and post operative bleeding after SG	Alexandr Neimark	Chair: Michel Vix
Sleeve Gastrectomy	10:30	Management of mesentero-portal thrombosis after SG	Camilo Boza	Moderators
	10:40	Standardized Management of acute leaks after SG	Reynu Rajan	Shelby Sullivan
	10:50	Standardized Management of Stenosis after SG	Jacques Himpens	Jodok Fink

	11:00	Standardized Management of late and chronic leak and fistula after SG	Matthew Kroh	Jan Greve
	11:10	Standardized Management of GERD after SG	Praveen Raj	
	11:20	Standardized Management of inadequate weight loss	Salman Al Sabah	
	11:30	Standardized Management of weight regain after SG	Muffazal Lakdawala	
	11:40	Endoscopic Management of dilated SG with weight regain	Bahram Abu Dayyeh	
	11:50	Standardized Management of T2D recurrence after SG	Cunchuan Wang	
	12:00	Operation of choice to revise SG is BPD-DS	Michel Gagner	
	12:10	Panel Discussion and Voting		
	12:20	Voting		
	12:30-13:30	Lunch break		
Session III	13:30	Standardized Management of acute complications after BPD-DS	Yuri Yaskov	Chair: Mitchell Roslin
BPD-DS	13:40	Standardized Management of late complications GERD, Obst., MU, IH	Terek Mahdi	Moderators
	13:50	Standardized Management of inadequate weight loss after BPD-DS	Rudolf Weiner	Samer Matter
	14:00	Standardized Management of weight regain after BPD-DS	Rana Pullat	Antonio Torres
	14:10	Standardized Management of Intractable Diarrhea	Andriy Lavryk	Aparna Govil Bhasker
	14:20	Standardized Management of excessive weight loss	Khaled Mirza Gari	
	14:30	Standardized Management of Nutrient deficiencies	Gerhard Prager	
	14:40	Standardized Management of frequent foul flatus and body odor after OAGB	Miguel Carbajo	
	14:50	Standardized management of biliary stones after GBP and BPD operations	Aurora Pryor	
	15:00	Management of PE and DVT after BMS	Chetan Parmar	
	15:10	Panel Discussion		
	15:20	Voting		
	15:35-16:00	Coffee break		
Session IV	16:00	Standardized management of acute complications after LAGB	Jaime Ponce	Chair: Marina Kurian
LAGB	16:07	Standardized management of late complications-LAGB-erosion, slippage, tube problems	Ken Loi	Moderators
	16:14	Revision of LAGB, one or two stage approach	Michel Vix	Ahmad Bashir

	16:21	Standardized Management of late complications LAGB---LAGB	Paul O'Brien	Moussa Khoursheed
	16:28	Standardized Management of late complications LAGB---GBP	Ahmad Bashir	Nasser Sakran
	16:35	Standardized Management of late complications LAGB---BGBP	Karl Miller	
	16:42	Standardized Management of late complications LAGB---SG	David Nocca	
	16:49	Standardized Management of late complications LAGB---Banded sleeve Gastrectomy	Jadok Fink	
	16:56	Standardized Management of late complications LAGB---BPD-DS	Moussa Khoursheed	
	17:03	Standardized Management of late complications LAGB---SADI	Maurizo De Luca	
	17:10	Standardized Management of late complications LAGB---OAGB	JeanMarc Chevallier	
	17:20	Panel Discussion		
	17:30	Voting		
	17:40-18:00	Coffee break		
Session V	18:00	Standardized Management of Complications after Gastric Plication	Martin Fried	Chair: Luigi Angrisani
Other Procedures	18:05	Standardized Management of Complications after Gastric Plic	Asim Shabbir	Moderators
	18:10	Standardized Management of Complications after Balloon Implantation	Bahram Abu Dayyeh	Rudolf Weiner
	18:15	Standardized Management of Complications after Aspire Assist	Shelby Sullivan	Rachel Moore
	18:20	Standardized Management of Complications after Endo-Barrier	Jan Greve	Mario Musella
	18:25	Robotic approach in management of complications Robotics	Andre Teixeira	
	18:30	Endoscopic Stents in the management of leaks and stenosis	Lilian Kow	
	18:35	Reconstructive operations after weight loss Body contouring	Anuedi Moreno	
	18:55	Panel Discussion		

	19:05	Voting		
19:20 Adjournment				
Dinner: 19:30 to 22:30				
Special Speakers (20 minutes each)	21:30	History of Bariatric Surgery	Henry Buchwald	introduced by Mohit Bhandari
Location TBD	21:50	BMS Complications: Lessons Learnt	Jacques Himpens	introduced by MAL Fobi
Saturday April 18, 2020				
Session V	08:00	Management of intra operative and bleeding after GBP	Eric DeMaria	Chair: Almino Ramos
Gastric Bypass	08:10	Management of Acute leaks and stenosis after GBP	CK Huang	Moderators
	08:20	Management of late leaks and fistula after GBP	Rachel Moore	Gerhard Prager
	08:30	Management of intractable ulcers after GBP	Estuardo Behrens	Karl Miller
	08:40	Management of gastro-gastric fistula after GBP	Alan Wittgrove	Kelvin Higa
	08:50	Management of GERD after GBP	Nilton Kawahara	
	09:00	Management of Dumping and Reactive Hypoglycemia after GBP	Michel Suter	
	09:10	Management of anemia and deficiencies after GBP	Aparna Govil Bhasker	
	09:20	Management of alcohol addiction after GBP	David Cummings	
	09:40	Panel Discussion		
	09:50	Voting		
	09:50-10:00	Coffee break		
Session VI	10:00	Management of inadequate weight loss after GBP	Ricardo Cohen	Chair: Scott Shikora
Gastric bypass Cont'd	10:10	Management of weight regain after weight loss after GBP	Bruno Dillemans	Moderators
	10:20	Endoscopic management of weight regain after Gastric bypass	Christopher Thompson	Mohit Bhandari
	10:30	Management of Excessive weight loss after GBP	Sandeep Aggarwal	Miguel Carbajo
	10:40	Managing gastric bypass with good weight loss but with diarrhea and deficiencies	Khaled Gawdat	Eric DeMaria
	10:50	Managing of banded gastric bypass and banded SG complications	Luc Lemmens	
	11:00	Management of Internal hernias after GBP	Fritz Berends	
	11:10	Managing of Obstructions after GBP, Intersussection, Adhesion, Port hernias	Alaa Abbass	

	11:20	Is there a place for pharmacotherapy in management of non responders	Kevin Higa	
	11:30	Panel discussions		
	11:40	Voting		
	12:00-13:00	Lunch break		
Session VII	13:00	Standardized Management of intro- op complications and bleeding after OAGB/MGB	Karl Rheinwalt	Chair: Aurora Pryor
OAGB/MGB	13:10	Standardized Management of leaks complications after OAGB/MGB	Mario Musella	Moderators
	13:20	Standardized Management of Marginal ulcers after OAGB/MGB	Kamal Mahawar	Maurizo De Luca
	13:30	Standardized Management of GERD after OAGB/MGB	Sonja Chiappetta	Sergio Santoro dos Santos
	13:40	Management of GERD after OAGB with Diverted MGB	Rui Ribeiro	
	13:50	Standardized Management of inadequate weight loss after OAGB/MGB	David Hargroder	
	14:00	Standardized Management of weight regain after OAGB/MGB	Peter Small	
	14:10	Standardized Management of Excessive weight loss after OAGBMGB	Enrique Luque De Leon	
	14:20	Standardized Management of intractable diahhrea after /OAGBMGB	Diana Maldonado Pintado	
	14:30	Standardized Management of PCM after OAGB/MGB	Gurvinder Jammu	
	14:40	Panel discussion		
	14:50	Voting		
	15:00-15:15	Coffee break		
Session VIII	15:15	Management of brochal fistulas after leaks	Nasser Sakran	Chair: Chetan Parmar
Psycho-socio economic complications after BMS	15:25	Management of Port problems after BMS--Hernias, infection, and fistulas	Ali Khammas	Moderators
	15:35	Management of complications of BPD	Luigi Angrisani	David Cummings
	15:45	Endcopic Management of BMS Complications, leaks, fistulas, and obstructions	Manoel Galvao Neto	Frits Berends
	15:55	Management of problem Patients and family when faced with BMS complications	Almino Ramos	Eric DeMaria
	16:05	Management of Psychosocial complications after MBS	Paul Davidson	

	16:15	Managing of Cost of BMS Complications	Marina Kurian	
	16:25	Managing litigation from complications after BMS	Mitchell Roslin	
	16:35	Patients non responsive to co morbidities(T2D) with good weight loss	Aureo De Paula	
	16:50	Reonstrutive procedures after BMS --lipodystrophies and sagging skin	Anuedi Moreno	
	17:00	Panel Discussion		
	17:10	Voting		
18:00 Meeting Adjournment
