

# DECISION MAKING IN BARIATRIC AND METABOLIC SURGERY

Antonianum Auditorium - Roma, October 24-26, 2013

## PRELIMINARY PROGRAMME

### Thursday, October 24

#### 08.30 REGISTRATION

09.00 IFSO Presidential Address  
*L. Angrisani (Napoli)*

09.05 SICOB Presidential Address  
*M. Lucchese (Firenze)*

09.10 Congress Presentation  
*M. Anselmino (Pisa), P. Bernante (Venezia)*

#### 09.15-09.45

**LECTURE:** The Surgery of Third Millennium Paradox  
*P. Forestieri (Napoli)*

#### 09.45-13.00

##### SEQUALAE FOLLOWING DIABETES SURGERY

Moderators: *N. Scopinaro (Genova), G. Nanni (Roma)*

Persistent Hypoglycemia following RYGBP: what we need to do  
*M. Nannipieri (Pisa)*

Long-term recurrence of type II Diabetes following RYGBP: what we need to know and do  
*F. Rubino (Roma)*

Dumping syndrome following bariatric operations in Type II diabetes cases  
*G.M. Marinari (Bergamo)*

#### PRESIDENTS

MARCO ANSELMINO  
PAOLO BERNANTE

#### SCIENTIFIC COMMITTEE

LUIGI ANGRISANI  
MARCO ANSELMINO  
PAOLO BERNANTE  
MARCELLO LUCCHESI

#### ORGANIZING SECRETARIAT

Rione Sirignano, 5 - 80121 Napoli - Italy  
ph. +39 081 7611085 - fax 081 664372  
panico@mcmcongressi.it - www.mcmcongressi.it

Lap RNY gastric bypass/lap sleeve in Type I diabetes patients: why and when  
*B. Dillemans (Bruges)*

A rare case of nesidioblastosis following bariatric surgery  
*P. Chowbey (New Delhi)*

Chronic ulcer following diabetes surgery in low BMI patient  
*G. Silecchia (Latina)*

**12.30-13.00**

**LECTURE:** From Reactive Hypoglycemia to Nesidioblastosis  
*S. Del Prato (Pisa)*

13.00-14.00 *Lunch*

**14.00-18.00**

**REVISIONAL SURGERY for INTRACTABLE COMPLICATIONS**

Moderators: *R. Rosenthal (Weston), L. Angrisani (Napoli)*

Chronic SG leak: when total gastrectomy  
*J.M. Chevallier (Paris)*

Limbs shortening in BPD/DS  
*J. Himpens (Bruxelles)*

When limb elongation in GBP  
*B. Dillemans (Bruges)*

BPD to atypical GBP for malabsorption side effects  
*V. Ceriani (Milano)*

Weight regain following RYGBP: band or endoscopic restriction?  
*J. Dargent (Lyon)*

Transverse gastroplasty for persistent SG stricture  
*M. Gagner (Montreal)*

**PRESIDENTS**

MARCO ANSELMINO  
PAOLO BERNANTE

**SCIENTIFIC COMMITTEE**

LUIGI ANGRISANI  
MARCO ANSELMINO  
PAOLO BERNANTE  
MARCELLO LUCCHESI

**ORGANIZING SECRETARIAT**

**mcm**  
EVENTI CONGRESSI VIAGGI

Rione Sirignano, 5 - 80121 Napoli - Italy  
ph. +39 081 7611085 - fax 081 664372  
panico@mcmcongressi.it - www.mcmcongressi.it

Bariatric surgery allows cure of persistent primary aldosteronism after unsuccessful adrenalectomy for Conn's adenoma  
*P. Bernante (Mestre-Venezia)*

A case of late dysphagia in VBG: laparoscopic conversion  
*A. Giovanelli (Milano)*

Gastric plication complications: What I did and What I should have done  
*M. Foletto (Padova)*

Persistent vomiting and malnutrition in RYGBP  
*M. Anselmino (Pisa)*

Esophago-gastric perforation following lap band operation: Technical mistake or surgical complication?  
*M. De Luca (Vicenza)*

A case of internal hernia after GBP with complex septic lesions of the SMA  
*N. Di Lorenzo (Roma)*

## Friday, October 25

**08.30-09.00**

**LECTURE:** Cardiovascular risk pattern prior to and following bariatric surgery  
*L. Busetto (Padova)*

**9.00-13.00**

### **HIGH PERI-OPERATIVE RISK BARIATRIC CASES**

Moderators: *J. Mulier (Bruges), K. Miller (Hallein)*

Peri-operative risk stratification: what we have learned  
*F. Guarracino (Pisa)*

The role of intra-operative mechanical ventilation to prevent post-op complications  
*P. Pelosi (Genova)*

#### **PRESIDENTS**

MARCO ANSELMINO  
PAOLO BERNANTE

#### **SCIENTIFIC COMMITTEE**

LUIGI ANGRISANI  
MARCO ANSELMINO  
PAOLO BERNANTE  
MARCELLO LUCCHESI

#### **ORGANIZING SECRETARIAT**

**mcm**  
EVENTI CONGRESSI VIAGGI

Rione Sirignano, 5 - 80121 Napoli - Italy  
ph. +39 081 7611085 - fax 081 664372  
panico@mcmcongressi.it - www.mcmcongressi.it

Enhanced ICU recovery following bariatric surgery: what do we need to change?

*J. Mulier (Bruges)*

BIB Weight loss in high risk bariatric patients: is it worthwhile?

*Y. Yashkov (Moscow)*

Pre-op ketogenic treatment in high risk bariatric patients: is it worthwhile?

*C. Giardiello (Napoli)*

Pulmonary embolism: what I did and what I should have done to prevent it

*M. Lucchese (Firenze)*

Lecture: "Non-operability of high risk bariatric patients: myth or reality?"

*F. Guarracino (Pisa)*

13.00-14.00 *Lunch*

**14.00-16.00**

**BARIATRIC PROCEDURES RESTAURATION: When and Why?**

Moderators: *G.M. Marinari (Bergamo), S. Shikora (Boston)*

Gastric plication dismantling

*M. Fried (Prague)*

GBP restauration for upper GI dysmotility

*C. Giardiello (Napoli)*

Restauration following BPD/DS: when and how

*Y. Yashkov (Moscow)*

Restauration following GBP-on-AGB in HIV disease

*F. Furbetta (Vinci)*

Many reasons for reversal bariatric surgery

*J. Himpens (Bruxelles)*

**16.00-19.00**

**COMPLEX BARIATRIC CASES**

**PRESIDENTS**

MARCO ANSELMINO

PAOLO BERNANTE

**SCIENTIFIC COMMITTEE**

LUIGI ANGRISANI

MARCO ANSELMINO

PAOLO BERNANTE

MARCELLO LUCCHESI

**ORGANIZING SECRETARIAT**

EVENTI CONGRESSI VIAGGI

Rione Sirignano, 5 - 80121 Napoli - Italy

ph. +39 081 7611085 - fax 081 664372

panico@mcmcongressi.it - www.mcmcongressi.it

Moderators: *J. Himpens (Bruxelles), M. Lucchese (Firenze)*

Laparoscopic GBP in situs viscerum inversus  
*B. Dillemans (Bruges)*

Mesenteric-portal thrombosis with intestinal infarction following RYGBP  
*P. Millo (Aosta)*

Hyperammoniemic encephalopathy following RYGBP in liver transplantation patient  
*P. Gentileschi (Roma)*

Laparoscopic revision of gastro-gastric fistula  
*B. Dillemans (Bruges)*

A complex case of BPD  
*G. Nanni (Roma)*

Recurrent marginal/anastomotic ulcer following RYGBP  
*K. Miller (Hallein)*

Gastric pouch revision seems to be the best option for weight regain following RYGBP  
*A. Iannelli (Nice)*

Banding the gastric Bypass for severe weight regain  
*B. Dillemans (Bruges)*

Gastric necrosis following gastric banding: could we have avoided total gastrectomy?  
*G. Bonanomi (London)*

**18.30-19.00**

**LECTURE:** *Hypothalamic obesity: is there a role also for bariatric surgery?*  
*R. Pasquali (Bologna)*

**PRESIDENTS**

MARCO ANSELMINO  
PAOLO BERNANTE

**SCIENTIFIC COMMITTEE**

LUIGI ANGRISANI  
MARCO ANSELMINO  
PAOLO BERNANTE  
MARCELLO LUCCHESI

**ORGANIZING SECRETARIAT**

**mcm**  
EVENTI CONGRESSI VIAGGI

ph. +39 081 7611085 - fax 081 664372  
panico@mcmcongressi.it - www.mcmcongressi.it

## Saturday, October, 26th

**08.30-13.00**

### **SLEEVE GASTRECTOMY DISASTERS (1)**

Moderators: *M. Gagner (Montreal), N. Basso (Roma)*

Gastro-bronchial fistula following SG: treatment strategy

*J.M. Chevallier (Paris)*

Different types of SG disasters

*J. Himpens (Bruxelles)*

SG with leak and stenosis followed with complete obstruction

*M. Gagner (Montreal)*

Gastric cancer following SG: does bile reflux play a role?

*L. Angrisani (Napoli)*

Surgical mistakes during SG

*R. Weiner (Frankfurt)*

A long way to reach healing of persistent leak in SG

*S. Cariani (Bologna)*

A case of five years failure of treatment of chronic gastric fistula in SG

*D. Nocca (Montpellier)*

Multiple treatment of persistent leak in SG: Is there the best option?

*R. Rosenthal (Weston)*

First choice T-Tube insertion avoids persistent leak in SG

*M. Barreca (Luton, UK)*

What we have learned after treatment of some gastro-bronchial fistula cases

*D. Nocca (Montpellier)*

13.00-14.00 *Lunch*

#### **PRESIDENTS**

panico@mcmcongressi.it - www.mcmcongressi.it

**14.00-17.00**

**SLEEVE GASTRECTOMY DISASTERS (2)**

Moderators: *R. Weiner (Frankfurt), M. Suter (Aigle)*

Staple line failure in SG: what we have learned

*A.M. Rashad Salem (Riyadh)*

Cardia leak in buttressed SG

*S. Shikora (Boston)*

Roux limb for treatment of chronic SG leaks

*J. Himpens (Bruxelles)*

SG disasters: Is it a matter of poor surgical technique or is Sleeve a troublesome procedure?

*A. Torres (Madrid)*

Multiple endoscopic stenting in leak after SG

*J. Dargent (Lyon)*

17.00 Closing remarks and awarding to the best three presentations
